The ownership of such shareholding shall be determined with reference to the shares registered in favor of the Shareholder on the day the lists are filed with the Company.

Please note that the outgoing Board of Directors – in compliance with the provisions of Borsa Italiana Corporate Governance Code adopted by the Company (the "Code"), with the favorable opinion of the Nomination, Remuneration and Human Capital Committee, approved its Guidelines to the Shareholders on the qualitative and quantitative composition of the new Board of Directors deemed optimal (the "Guidelines").

The Board invites the Shareholders, in the drafting of their list, to take into account the indication provided in the abovementioned Guidelines attached to the Board of Directors Report on Item 2 on the Agenda and already published on 20 January 2022 in the governance section of the Company's website (<https://www.atlantia.com/en/governance>).

Each Shareholder has the right to submit one list only, either individually or jointly with other Shareholders, and any candidate included in more than one list will be disqualified. No lists may contain more than fifteen candidates.

Furthermore, pursuant to article 20 of the Articles of Association, each list must include candidates meeting the independence requirements provided by law. In such regard, please note that in the Guidelines the outgoing Board of Directors highlighted the importance to guarantee the presence of an adequate number of independent Directors (at least half of the Board, as provided by the Code for Large Companies and by art. 5 of the Board Term of Reference, available on the Company's website in the governance section). Lists containing three or more candidates must also ensure that at least two fifths of the candidates belong to the least represented gender, in compliance with article 20 of the Articles of Association (the number of candidates belonging to the least represented gender is rounded up, except for lists containing three candidates whereby such number is rounded down).

Each list must be accompanied by: (i) exhaustive information regarding the candidates' personal and professional details; (ii) declarations from the individual candidates accepting their candidature and providing a personal warranty that no fact or deed exists that could give rise to their disqualification and that they meet the legal requirements for holding the office (also for the purposes of the enrollment of the controlled company Telepass S.p.A. in the register of the electronic money institution), and that, where applicable, they meet the independence requirements established by the laws and regulations

in force; (iii) the identity of the Shareholders that submitted the lists and their combined equity interests.

Any list that does not comply with the above requirements will be considered as not submitted. In addition to the above, the Shareholders which submit their list of candidates are invited to provide the necessary information concerning any capacity of the candidates to be qualified as independent based on Recommendation no. 7 of the Code as implemented and integrated by article 5 of the Board term of Reference.

The Board, in compliance with Recommendation 23 of the Code, also invites the Shareholders which submit a list containing at least a number of candidates equal to half of the members of the new Board to provide adequate information in the documentation submitted together with the list concerning the compliance of the list with the Guidelines.

Furthermore, in compliance with the provisions of Consob Ruling DEM/9017893 of 26 February 2009, minority lists must be accompanied by a declaration certifying the absence of any association, also indirect, as defined by Article 147-ter, paragraph 3 of the CFA and Article 144-quinquies of the Regulations adopted with Consob Resolution 11971 of May 14, 1999, with Shareholders that hold, either individually or jointly, a controlling or relative majority interest, pursuant to applicable law. The declaration must also specify any existing relations, where significant, with Shareholders that hold, either individually or jointly, a controlling or relative majority interest, where identifiable, and the reasons why these relations are not considered to determine the existence of the above association, or an indication that no such relations exist.

Lastly, also taking into account the conduct of the General Meeting, Shareholders – are invited to submit any resolution proposal functional to the renewal of the Board, which are integrative and/or alternative to the Board ones, well in advance, ideally together with the submission of the lists.

Further information on the deposit and publication of the lists and on the modalities of appointment of the Directors are provided under art. 20 of the Articles of Association and in the Board of Directors Report on Item 2 of the Agenda, available on the website (<https://www.atlantia.com/en/governance/general-meeting>) and on the storage platform called 1Info (www.1Info.it).
