

EXECUTION VERSION

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended (“**MiFID II**”); or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended or superseded (“**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is neither (i) a professional client as defined in point (8) of Article 2(1) of Regulation (EU) No. 600/2014 as it forms part of English law by virtue of the European Union (Withdrawal) Act 2018, as amended (“**EUWA**”); nor (ii) a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook (“**DISC**”) for offering, selling or distributing the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU, as amended (“**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA (“**UK MiFIR**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any distributor (as defined above) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

2. RATINGS

Ratings:

The Notes to be issued have been rated:

S&P Global Ratings Europe Limited (“**S&P**”): “BB+” (recovery rating of “3(55%)”)

Moody’s Investors Service España, S.A. (Sociedad Unipersonal) (“**Moody's**”): “Ba1”

Fitch Ratings Ireland Limited, Sede Secondaria Italiana (“**Fitch**”): “BB+”, outlook stable

An obligation rated “BB” by S&P is less vulnerable to nonpayment than other speculative issues. However, it faces major ongoing uncertainties or exposure to adverse business, financial, or economic conditions that could lead to the obligor's inadequate capacity to meet its financial commitments on the obligation. Ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the rating categories. Recovery ratings by S&P focus solely on expected recovery in the event of a payment default of a specific issue, and they utilize a numerical scale that runs from 1+ to 6. The recovery rating is not linked to, or limited by, the issuer credit rating or any other rating, and provides a specific opinion about the expected recovery. A recovery rating of “3” denotes an expectation of meaningful recovery in the event of default. Percentage ranges of recoveries assigned to each recovery rating category may vary among jurisdictions as specified in relevant criteria. Variations are based on considerations such as, among others, creditor friendliness of regimes, insolvency law provisions, enforceability, predictability, or rule-of-law risk.

Obligations rated “Ba” by Moody’s are judged to be speculative and are subject to substantial credit risk. Moody’s appends numerical modifiers 1, 2, and 3 to each generic rating classification from “Aa” through “Caa”. The modifier 1 indicates the obligation ranks in the higher end of its generic rating category.

“BB” ratings by Fitch indicate an elevated vulnerability to default risk, particularly in the event of adverse

changes in business or economic conditions over time; however, business or financial flexibility exists that supports the servicing of financial commitments. An additional +/- indicates relative differences of probability of default or recovery for issues.

Each of Moody's, Fitch and S&P is established in the EEA and registered under Regulation (EU) No 1060/2009, as amended.

3. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE/OFFER

Save for any fees payable to the Managers and, if applicable, as provided for under the item 4(i) below, so far as the Issuer is aware, no person involved in the issue of the Notes has an interest material to the offer. The Managers and their affiliates (including parent companies) have engaged, and may in the future engage, in lending, advisory, corporate finance, investment banking and/or commercial banking transactions with, and may perform other services for, the Issuer and their affiliates in the ordinary course of business.
